

# MUEGGENBURG FARMS

## Price List

### Distilling & Brewing

Mueggenburg Farms offers a vast assortment of organic and non-organic botanicals and spices for the distilling and brewing industries. With warehousing capacities on the east and west coast, botanical ingredients are available year-round with minimal lead times. Regular imports ensure restocking and new material being available in a timely manner, and our in-house milling capabilities can customize the cut size to fit your distilling or brewing needs.
